Headteacher message

Dear parents and carers,

We've had a great week of learning and fun!

The corridors are filled with Y6's wonderful singing and their end of year play preparation is under way fully. We have

children involved in prop making, learning their lines, singing and dancing.

The children in YR had a wonderful trip to the lovely grounds at Shoreham College on Kingston lane on Wednesday for a picnic and lots of fun activities. They had designed and made their sandwiches for the picnic and they were very excited about their mini adventure! Great thanks to Shoreham College for sharing their outdoor space with us for this.

Children in KS1 have been trying their best and making us all proud with their 1:1 phonics assessments. Y4 also have some important times tables tests which they are trying really hard with too. Well done to them all. Last week I had so many children in Y6 coming to show me their brilliant topic writing! Their careful presentation and detailed knowledge really shone through. Great work Y6!

Y6 have enjoyed their three day residential trip to Penshurst Place in Kent this week, which is a Bushcraft camp. They have had lots of team building tasks and lots of fun adventurous challenges. For the children who didn't go on the trip, activities were planned for them on site and locally to ensure they had a fun and adventurous experience as well, including some great activities at Shoreham College. Thank you to the staff team at Glebe for offering additional experiences for the children and for all the planning that goes on behind the scenes.

We are still welcoming helpers for the Summer Fair on 28th June (11am to 3pm). Here is the link for volunteers:

Sports days coming up! Please see events on the next page.

If children want to send in home-made cards or pictures on 19th June for 'Thank a Teacher Day' for their teachers and teaching assistants, that is always very much appreciated.

Best wishes
Mrs. Crutchfield
Headteacher

Well Done Molly in Y4!

Molly A in Y4 kindly offered to raise money for the ShelterBox charity so she ran a colouring competition. Molly organised and ran her drawing competition and raised £15.65 for the charity.
Thankyou Molly.

May sponsored walk reminder.

Please send in your sponsor money raised from the May whole school sponsored walk Pond Appeal

event. We'd appreciate if you could use the online payment system.

Thankyou

Science Club

The Science Club were tasked with camouflaging white butterflies this week. They were very inventive and enjoyed the challenge!

Pear Tree Nursery tours

Our Pear Tree Class Nursery is proving highly popular. It is a great preparation for starting school at Glebe and feedback from parents is very positive. We are unique in offering a teacher led provision. If you are interested in a Nursery place for your child then please contact the office who can arrange tours for you and stay and play visits with my team and I. Our Nursery is open for children to join after their 3rd birthday, we open for school hours and vouchers are accepted. **We really recommend that children come to our nursery in the year before starting school here as it is then such a smooth transition to YR. Children make friends and build confidence and early learning skills at Glebe.** Please book a tour and apply for places via the office team.

Glebe Parent/Carer, Baby & Toddler Group

Please join us in the second Nursery room on Wednesdays 10am to 11am for our weekly Parent/Carer, Baby & Toddler group. I run the group with volunteers and we always have nice activities out and lots to do and explore for the children and all the grown-ups have a nice get to together too! Please enter and leave via the Church Lane entrance and use the office door.

Thankyou

Miss. Ioakeim, Nursery Class Teacher.
