#### **Sports Report**

Year 4 Rounders Tournament

On Wednesday last week we took a team of year 4 children to take part in a rounders tournament at Shoreham academy. All 8 of the local cluster schools were there to take part so it was sure to be a great afternoon! The children got off to a great start, winning their first 3 matches in a row. They displayed some great communication skills and were really helping each other through the matches. This led on to the Glebe team winning the next 3 matches as well! With 6 games played and 1 game left to go our hopes were high. Unfortunately, we were bested in the very last game but by a very tight margin. This meant we finished the tournament with 6 wins and 1 loss and very well deserved second place overall. The children should all be extremely proud of themselves, not only because of their rounders performances but because of their amazing attitude throughout the tournament. Well done guys!

### Year 5 Cricket

On Tuesday this week a team of Cricketers from year 5 travelled to Arundel Castle Cricket Ground for a tournament against many other schools from across West Sussex. It was a big tournament with 4 groups competing for a place in the final. We started strong winning our first group game by a total of 49 runs. The boys were showing some fantastic cricket skills in all areas of the game, this meant that we went unbeaten in the group and made it through to the semi finals to face Summerlea Primary School. We opened the batting and managed to secure a decent score but unfortunately it wasn't quite enough. Summerlea outscored us when it came their time to bat and we just missed out on a spot in the final. The boys showcased some fantastic cricket and did so well to make it the semi final, especially with there being so many teams there. Well done boys!

Mr. Hance, Sports Leader.

### Pear Tree Nursery tours

Our Pear Tree Class Nursery is proving highly popular! It is a great preparation for starting school at Glebe and feedback from parents is very positive. We are unique in offering a teacher led provision. If you are interested in a Nursery place for your child then please contact the office who can arrange tours for you and stay and play visits with my team and I. Our Nursery is open for children to join after their 3<sup>rd</sup> birthday, we open for school hours and vouchers are accepted. **We really recommend that children come to our nursery in the year before starting school here as it is then such a smooth transition to YR. Children make friends and build confidence and early learning skills at Glebe.** Please book a tour and apply for places via the office team.

### Glebe Parent/Carer, Baby & Toddler Group

Please join us in the second Nursery room on Wednesdays 10am to 11am for our weekly Parent/Carer, Baby & Toddler group. I run the group with volunteers and we always have nice activities out and lots to do and explore for the children and all the grown-ups have a nice get to together too! Please enter and leave via the Church Lane entrance and use the office door.

Thankyou
