Beauty & The Beast M&M Productions 2026

Headteacher message

Dear parents and carers,

Thank you for supporting the cost of the pantomime theatre production of Beauty and the Beast this week. The children loved it! Thankyou also to the PTA today for the cake sale after school. Please check dates for bake sales in 'events'.

Mobile phones in schools:

On Monday all Head teachers in England received a letter from the Secretary of State for Education. Regarding children and mobile phone use in schools. The Secretary of State made it clear that children must not have access to mobile phones during the school day at any time at school.

At Glebe, in Y5 and Y6 children who have permission from parents/carers to walk to school and back without an adult can bring their phone to school. This is to ensure they can be in touch with parents and carers on the way to and from school. When children enter the school gate, phones go away in bags. Staff on duty before school with Y5/6 keep an eye out for phones to make sure they are not used on site. When the children come in to the building phones are handed in and locked away for the day. The phones are returned at 3pm for home time. If children go to a school after school club the phones are collected again and handed back at the end of the club.

Staff can use their mobile phones in the staffroom during their scheduled breaks as this is a space where children do not go. We use our phones when children are not in the classroom and when children are not in the office, for accessing secure password links and for some communication e.g. with local school groups or to check messages from family. We don't use our phones as cameras and have school Ipads and school cameras just for school use.

Whole School Attendance - 95%

Thank you and good news for children's learning and school engagement!

House Points last week

Arundel	Bramber	Lewes	Pevensey
576	543	592	584

Any visitors are told on arrival to put phones away on site and turn them off when they arrive to sign in.

As a school, we have looked at the Smart Phone Free campaign and at present do not think the school needs to insist on brick/ non smartphones coming in only. Phones are not in use all of the school day here currently and what parents and carers choose to decide at home regarding phones is their own decision. I hope that is helpful to know.

Best wishes
Mrs. Crutchfield

Special Books

Classes are currently reading the following picture books shortlisted for the West Sussex Libraries Picture Book Awards and voting on their favourite:
Dogdunxit by Peter Bently and Tor Freeman
The Tour at School by Katie Clapham and Nadia Shireen
Jenny Peckles Lays Eggs with Speckles by Rachel Emily and Paul Delaney
Don't Trust Fish by Neil Sharpson and Dan Sentat

Keep an eye out for these at your local library and ask your child which was their favourite at home!
Mr. Miller, Reading Champion.

Free School Meals and Pupil Premium Fund

The Pupil Premium fund is allocated to children from low-income families who are currently known to be eligible for free school meals (FSM) and children who have been looked after continuously for more than six months. The fund gives the school valuable funds to support learning progress for children from YR all the way through secondary phase. **It only takes few minutes to apply, so if you receive any of the benefits eligible, you can apply online using the following link:**

<https://www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/free-school-meals/#how-to-apply>

Please note that all children YR to Y2 are entitled to a free school lunch but this is different.
