Headteacher message

Dear parents and carers,

Thank you to Y6 for dressing up for their WWII themed day this week. They looked fantastic!

Thankyou also to the Y1 team for their lovely class assembly this week for parents and carers. Y5 visited Shoreham Academy this week for an author visit, to hear Olivia Wakefield read some of her work too. A busy week!

I am very pleased to announce that we are in the final stages of the planning for a new toilet block for Y5/6! This week the contracting process finalised. We are also having some old windows updated in Y6 classrooms and the flat roof repaired. We also have some new solar panels coming, which give an energy reimbursement each year to the school. The old solar panels are also going to be maintained with a new contract. United Learning are funding all of this and helping us, which is great news for Glebe!

This week I need to share that dear Mrs. Tarrant in the office is moving on at Easter to give more time to her family landscaping business. Mrs. Tarrant has worked at the school as a valued and skilled Teaching Assistant and as an outstanding Office Manager and she has been with us for eight years. She has supported our systems and been an absolute asset in our administrative and teaching assistant teams. We wish her every success for the future and she will always be a friend to our school. If any parents and carers would like to contribute, we are making a collection for a gift in the office. We are currently interviewing and will have a new Office Manager in place after Easter and I will share their name soon.

Just a reminder that on the last day of term (27th) we have our annual Easter events. Nursery, YR, Y1 and Y2 children have an Easter Bonnet parade and they create hats and bonnets at home for that and wear them for the day. In KS2, Y3 to Y6, children decorate an

egg at home (either hard boiled or with the egg drained out) and these are displayed in class. The PTA kindly provide prizes on the day for best bonnet and best egg, which teachers decide. Parents and carers of children in Nursery to Y2 please stay on site on the day for the Bonnet parade at 8.45am. Thank you for all your creativity and participation on our special event days. The children really enjoyed dressing up for World Book day recently and we all enjoy our special Glebe theme days. Your support is much appreciated. The last day of term will also be a non-uniform day for donations toward our playtime equipment (donations online please as we are a cash free school). Mr. Allen our Sports leader is equipping playgrounds to encourage active lunchtimes and your donations are a huge help.

Reminder 2: Topic Share: Monday 23rd March after school.

Best wishes
Mrs. Crutchfield

Reminder

Please remember that children are not allowed to wear jewellery to school except a simple watch (not a smart watch) and stud earrings.

Children are not permitted to wear make-up to school or nail varnish. Make-up and nail varnish should also stay at home please. False eye lashes are also not allowed.

Children with long hair, past the shoulder, need to tie it up for school. Spare hair bands are available in the office.

Thankyou.

Sports Report: Netball Stars!

On Wednesday the Glebe netball team took part in a tournament at Shoreham Academy. After a very tricky opening game, the girls showed a lot of resilience and excellent skill to win two of the next three games and ultimately finish the tournament in third position. Well done to all involved!
Mr. Allen, Sports Leader

Glebe's Pear Tree Nursery

Our Nursery is open for children to join after their 3rd birthday, we open for school hours and vouchers are accepted. If you are interested in a Nursery place for your child then please contact the office. In our second year of opening now, we really see a positive difference with those who attended last year, who are now in YR. They know their school and their learning and school readiness are advanced. We highly recommend the provision if your child is due to start school in September 2026. **Please book a tour and apply for places via the office team.**

House Captain's Easter Egg colouring competition

House Captains in Y6 have set up an Easter colouring competition for the children. This is open to all the children Nursery to Y6. Please pick up a sheet from the office, add name, class and stick a donation on the back with tape please. House captains want to help raise money for more playtime equipment. Closes 23rd March. There are prizes for the winners!
